From the  
Pastor's Desk

Dear Parishioners and Friends,

Thanks again for all your prayers. It's great to be back.

We hear in our gospel today the parable of the lost sheep, the lost coin and the prodigal son. Our Lord rejoices in recovering those who are lost. His merciful heart desires our reconciliation with the Father. He wants us to abandon all of those things that prevent us from being the people he has created us to be. We demean ourselves with sin and mar God's beautiful creation. His grace restores us and elevates us beyond our minds' capability to comprehend.

Please remember the great miracle of the sacrament of Reconciliation. Take advantage of this incredible opportunity to experience the forgiveness and love of our heavenly Father. He is seeking you out and desires your restoration. There is nothing to fear.

Parish council in conjunction with a parish staff member and the peace and justice committee have launched a parish wide partnership program with the Red Hill Elementary School. Please come to class room 2 after all the Masses for a short presentation and more information.

God bless,  
Fr Luke, OP

## THE PRIORY PROJECT

### Frequently Asked Questions

If you would like to submit a question or see all of the FAQs thus far, please visit our Priory Project website, [www.stapriory.org](http://www.stapriory.org).

**Q:** Who makes the decision to transfer Dominican friars to or from St Thomas Aquinas parish? How do we know how long a given friar will stay here?

**A:** Ordinarily it is the Prior Provincial of the Dominican province who makes the assignments of individual friars from one place to another, after consultation with the friar himself and after considering the needs of the Province, the local Dominican community, and the place of ministry. If a community is a priory (having at least six friars in solemn vows assigned there), the community can elect its own superior (the Prior) for a term of three years, renewable once. The Prior Provincial can veto ("cassate") this election, but does so only for a serious reason. Because of the various three-year election cycles of the priories in a Dominican province, because a priory community is free to elect any eligible friar in the province, and because when a friar is elected as Prior in one community the Provincial often needs to assign a replacement to the Prior's previous community, there really is no way to know how long a given friar will stay in any one assignment. However, the Prior Provincial does his best to ensure a reasonable continuity in each Dominican parish and place of ministry.

Whenever a friar receives a new assignment (whether by appointment or election), the Prior Provincial must ask and receive the permission of the local bishop of the diocese of the friar's new assignment in order for the friar to exercise any pastoral ministry in that diocese.

### Dominican Priory Cookbook Update

Wed, Sept 15, is the last day we can accept recipes. This week we have received a recipe from Fr Brian, our former pastor. Fr Stephen and Brian Dean Sousa also gave us some wonderful recipes. Thanks to everyone for their participation. We are getting closer to our goal with only 24 recipes needed (but we can always put in more than our goal) until we reach 500. We are drawing a name each week from those who send in recipes to receive a free copy of the cookbook. This week's winner is Susan M Phillips. Send your recipes to either [patpodwyssocki@comcast.net](mailto:patpodwyssocki@comcast.net) or [jandill@embarqmail.com](mailto:jandill@embarqmail.com), or drop them in the box in the Link outside the sacristy. Thanks!
